ID	Note
AW, DW	When I was younger a little girl ,my father and I would walk along the streets of Vienna, and he would point out something along streetcar, and he would explain to me all the little pieces that would go into making it work.
AW, DW	When here and here I was a what about here little girl, my father here and I would here walk along the streets of Vienna, and he me all the little pieces that would go
AW, DW	Well then I'll test just have to prove it to you. You want to know my story? I'll show you.
