AW, DW	When I was younger a little girl ,my father and I would walk along the streets of Vienna, and he would point out something along the streetcar, and he would explain to me all the little pieces that would go into making it work.
AW	Of testing, something here course I did! This was at the peak of one of the greatest tragedies in all of humanity. Was I upset that they didn't want to use my new invention? You bet I was. But you forget, here too I met the men that we were fighting against and I was willing to help in any way that I could. Even if I had to stand in front of a crowd and ask for money.
AW	Of oneword two words course I did! This was at the peak of one of the greatest tragedies in all of humanity. Was I upset that they didn't want to use my new invention? You bet I was. But you forget, I met the men that we were fighting against, and I was willing to help in any way that I could. Even if I had to stand in front of a crowd and ask for money.
